

Chers membres, Dear members,

To flight line managers

- Here is a rooster list for May and June (pages 3 and 4). This responsibility will come once or twice this season depending on the number of members. Are excluded the members that already have other responsibilities in the club such as directors, instructors and tow pilots. This job will last all day and will give you the opportunity to participate in the smooth running of the club operation and your attendance is essential on the day you are scheduled.
- If for any reason you cannot attend the day you are scheduled it is your responsibility to find a replacement and then advise me by e-mail or by phone. If a date is improper also advise me in advance so that we can coordinate a new schedule.
- To get familiarised or to revise your duties you can refer to the Red Book on the web site under “forms and documents” sections 1.1 to 1.4 and 1.6.
- In order to have a good start up you should coordinate with the tow pilot and the instructor of the day.

Do not hesitate to contact me for any questions.
